

ECO-CLUB 2021

The Nirmala Institute of Education, Altino, Panjim, inaugurated the Eco Club on the 21st of December 2021, at the College Hall, in the presence of the teaching, non-teaching staff and the 1st Year B.Ed students . The event was hosted by the Eco Club coordinators Mrs Shylaja Sherief, Ms. Daniella Colaco and team. The College Director Dr. Rita Paes and the Officiating Principal Dr. Delia Antao unveiled the Scroll with the theme - 'Treasure our Bio Diversity'. A video on the 'Rich Bio Diversity' was projected, accompanied by the song, 'We are the world', followed by a vote of Thanks by Gizelle Rodrigues.

The program ended with exchange of saplings, in order to encourage, promote, restore and renew our Bio Diversity.

SAVE WATER CAMPAIGN 2022

Water is an essential component for survival. Though water comprises 71% of the earth most of it is unfit for domestic purposes. Out of the fresh water available, in recent times it has been seen that a lot of water is polluted and is not fit for human consumption. A lot of water is also being wasted.

As an initiative to save water on the 11th of January 2022, the Eco Club of Nirmala Institute inserted nozzles to the water taps. These nozzles were inserted in taps where water is used often like, the ladies washroom, gents washroom, principals washroom, staff washroom, dining hall etc. It was tested and seen that these nozzles save water by approximately 40%

This campaign was done in the presence of the college principal Dr. Delia Antao, Eco Club Faculty in charge, Ms. Daniella and a MTS Mr. Vikram Gurkha.
