### **About the Institute**

Nirmala Institute of Education, Panjim, Goa, a secondary Teacher Education Institute was established in 1963 by the Society of the Daughters of the Heart of Mary in response to the urgent need for trained teachers in the post liberation Goa. The main goal of Nirmala Institute of Education at that time was to provide the pedagogical bases for educational expansion through formal education. The college, initially affiliated to Bombay University grew into a highly respected institution providing pre-service and in-service teacher education to thousands of teachers. In 1985, it was affiliated to the newly established Goa University. Nirmala Institute of Education has completed 60 years as premier Teacher Education Institute in 2023.

Approved by the National Council for Teacher Education (NCTE), the college conducts a number of courses in Education like the Bachelor of Education, Post Graduate Diploma in Guidance and Counselling, a Certificate Course in Pre-primary Teacher Education, Diploma in Elementary Education Course and M.A. in Wellness Counselling. The main objective of the college is to develop universal values in teachers.

# Objectives of the Programme

The FDP will:

- **Enhance Research Capabilities** providing participants with advanced research methodologies and tools, enabling them to produce high-quality, impactful research and publications.
- **Develop Research Skills** to gain hands-on experience in conducting literature reviews, designing research studies, analyzing data, and writing research papers, making them more effective in their future academic work.
- **Promote Ethical Research Practices** emphasizing the importance of ethical research, teaching participants to uphold integrity, avoid plagiarism, and follow best practices in academic research.
- **Encourage Collaborative Learning** by fostering a collaborative environment for networking, exchanging ideas, and engaging in cross-disciplinary research projects, enriching their academic experience.
- **Advance Career Growth** to provide skills needed for career advancement, guidance on publishing in prestigious journals, applying for grants, and building a strong research portfolio.
