The faculty were knowledgeable and approachable, making complex concepts easy to apply in real classrooms. The professionalism and depth of content gave me the confidence to effectively support diverse learners.

Reeta Banerjee (Teacher)

The rich experience of the trainers and valuable strategies gave me clarity and confidence to become an active partner in my child's education.

Durga Barve (Parent)

The program was professional, informative, and inspiring—exactly what I needed as a fresh graduate.

Anjali Iyer (Fresh graduate)

DO YOU WISH TO WORK WITH CHILDREN WITH SPECIAL NEEDS?

Do you wish to support and assist them in the development of their Academic, Social & Behavioural skills?

AT THE END OF THE COURSE, PARTICIPANTS WILL:

- Gain a deeper understanding of various disabilities
- Apply inclusive approaches to teaching
- Be aware of inclusive practices & create inclusive plans
- Develop skills associated with shadow teaching
